

JOEL ALEX PIRES

ART DIRECTOR & ILLUSTRATOR

waveatjoey@gmail.com    +971 52 276 6154

Al Barsha 1, Dubai

I'm an art director and a digital illustrator; I work mainly with procreate, photoshop and illustrator (the affinity suite whenever required). Though not formally trained; an unhealthy obsession with cartooning (during a mid-life crisis) and a penchant for the unusual and quirky helps me put out interesting work.
